MEASUREMENT: COMPARING LENGTHS

You will use connecting cubes to compare the lengths of different snakes.

© The Flamingo Teacher

Name: _____

SNEAKY SNAKES

Directions:

1. Use the clues to help you figure out which snake is longer or shorter.
2. Use connecting cubes or playdough to make a model of the different colored snakes and help you solve the problems. Draw the snakes. Circle shorter or longer in each problem.

1. The green snake is shorter than the blue snake.
The blue snake is shorter than the orange snake. So, the green snake is **shorter** than the orange snake.
