

# Math About Me Stained Glass Window Craft

## Materials Needed:

1. Print 1 copy of the Frame page for each student.
2. Print 1 copy of the Math About Me page for each student.
3. Print enough copies of the Math About Me and Name Strips for the number of students in your class.
4. Tissue paper squares (can be purchased on Amazon) Click [here](#) to purchase {affiliate link} OR you can cut small 1 inch squares of tissue paper.
5. Contact paper (can be purchased on Amazon) Click [here](#) to purchase {affiliate link}
6. Glue
7. Scissors
8. Colored pencils or crayons

## Directions:

1. Have students complete the Math About Me page and then cut it out.
2. Next, have them color the Math About Me strip and Name strip.
3. You can teach them how to cut out the frame or you can do this part yourself.
4. Cut out a piece of Contact Paper (8  $\frac{1}{2}$  inches by 11 inches)
5. Put the contact paper down with the sticky side up. Then put the frame on top of it.
6. Now, have the students put the tissue paper squares all over the frame.
7. Next, have them glue on the Math About Me page in the middle. The Math About Me strip goes on the top and the Name strip goes on the bottom.
8. Put another piece of contact paper (8  $\frac{1}{2}$  inches by 11 inches) over the final produce to seal it.

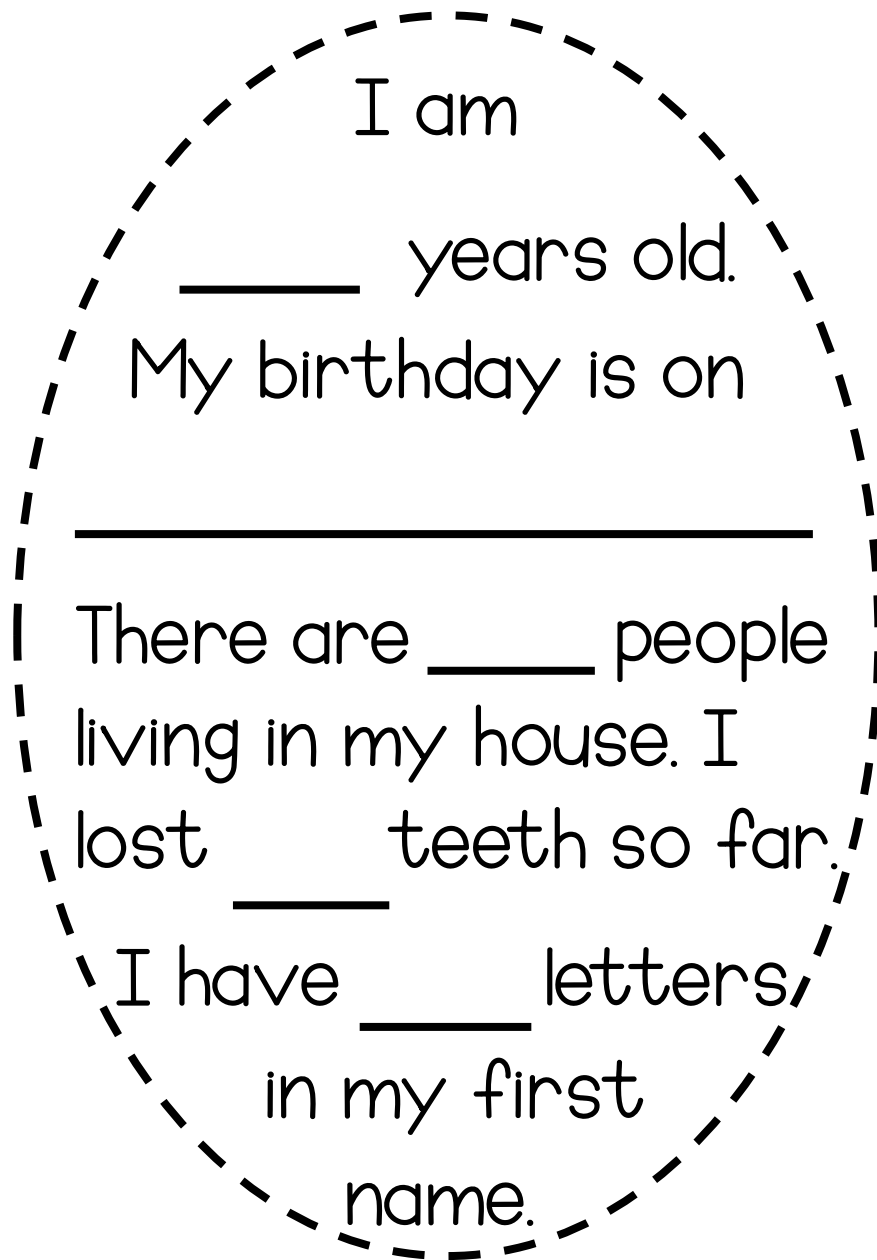

## FRAME:
